

# SPRING FLING WORKSHOP

Presented by

## **St. Croix Horse and Carriage Society TOOLS FOR BETTER COMMUNICATION**

**Saturday, March 19, 2011**

**9:00 a.m. to 3:30 p.m.**

**Montrose, Minnesota**

**Four presenters** each well regarded in their field, with four different messages about communication. Every one of us can learn how to more effectively communicate with our horses through hands, voice and body and mind. If you have ever wanted to be more connected with your equine, this is a workshop to attend! Put on by a driving club for **everyone** who wants to expand their knowledge and develop skills.

<b>Presenters</b>	<b>Topic</b>
<b>Michael Scott</b> is a well known horse trainer and experienced Combined Driving competitor.	Driving Rein handling basics and problem solving from someone who really knows.
<b>Renee Hogendorf</b> is an award winning practitioner of equine touch, massage, Reiki and aromatherapy- specializing in horses with behavior and fear issues.	Learn some new ways to communicate with your equine. We will have a hands on demonstration. Not us (a horse). <a href="http://www.equinedefined.com">www.equinedefined.com</a>
<b>Steve Wood</b> is a well known trainer of horses and their people.	Common Horse Problems and how to solve them from the ground. <a href="http://www.wildwoodsleighandcarriage.com">www.wildwoodsleighandcarriage.com</a>
<b>Dawn Huebner</b> a professional animal communicator is also a professional counselor, with an M.A. in Counseling & Psychotherapy.	Learn about this fascinating and controversial aspect of interacting with animals. We will have a demonstration. <a href="http://www.animalpsyche.com">www.animalpsyche.com</a>

### **Tack Swap! Want to start driving? Want to get rid of some old tack or a vehicle that you've outgrown?**
