

**February 9<sup>th</sup> Program**  
**The 2<sup>nd</sup> weekend in February!**  
**7:00 – 8:00 PM**  
**Scandia Community Center**  
[14727 209th St. N. Scandia, MN](http://www.scandia.com)

**Two programs for the price of one!**

**What color will the foal be? Presented by Susan Lockling**  
**and**  
**Oh, What a Weekend that Was! Presented by Marci Ukura**

Presenters	Topic
<p><b>What color will the foal be?</b></p> <p><b>Sue Lockling</b> is an enthusiastic horse woman and lots of fun. This talk is sure to be educational and I'll bet we'll have a laugh or two. Sue will be channeling Gregor Mendel (the father of genetics) and telling us about how color genes in the Sire and Mare affect their offspring.</p>	
<p><b>CAA Conference Recap.</b></p> <p><b>Marci Ukura</b> will hopefully be recovered enough to share the highlights of the CAA conference.</p>	 <p style="text-align: center;">125<sup>th</sup> Anniversary of the St. Paul Winter Carnival</p>

Goodie break and then meeting at 8:30.  
 Come for the program stay for the meeting!
