

March 2nd Program
7:00 – 8:00 PM
Scandia Community Center
Located at
[14727 209th St. N. Scandia, MN](http://www.ahonen.com)

Vehicle Fit and Suitability

Presented by Susan Ahonen
Carriage Builder and Driving Enthusiast

Sue is the heart and soul of Ahonen Carriage Works, Inc., 5285 Markham Road, Makinen, MN 55763 218-780-6380. [http://www.ahonen.com/](http://www.ahonen.com) She is the designer and builder of a wide variety of driving vehicles. You'll see many of her creations at any SCHCSI drive, as well as many Combined Driving and Pleasure Shows.

Sue builds vehicles to fit equines of all sizes but a couple of new vehicles at the last sleighing event will be of special interest to Mini and Pony owners. The deep snow didn't seem to faze Sue's trusty Mini Turbo put to a racing sleigh (see bottom picture) and the Albany Cutter turnout was a favorite.

If you are interested educating yourself about buying a cart, wagonette, marathon vehicle, or even a sleigh but aren't sure about which might be best suited for your needs, or how to exactly size the vehicle to fit your equine, then come join us for this informative program.

You will have the opportunity to ask questions and get answers that will assist you with finding the right vehicle. And, if you like, you can even order one from Sue and she'll make it to fit you AND your horse to a "T".

The public is invited to attend this informative program sponsored by [St. Croix Horse and Carriage Society](http://www.schcsi.com). Bring a friend! If you aren't a member, we'll appreciate it if you drop us a line from the contact us page so we'll know to bake a few more cookies.

Goodie break and then meeting at 8:30.
